

Saratoga Springs, NY – June 21, 2012

We hope this news letter finds you and your family doing well and looking forward to a great summer of Thoroughbred racing.

With the first day of summer upon us and many of the spring/summer racing meets well under way across the country, we thought we'd take this opportunity to reflect on the first half of the year – and look ahead to the second half. Indeed, we can't help but be proud of all the great horses we have running under the Starlight Racing silks.

Since January 1, we've had 13 wins, 4 places and 3 shows from 34 starts - putting our successful partnerships in the money an impressive 58.82% of the time, with a 38.24% win clip. Starlight Racing horses have made trips to the winners' circle at eight different tracks, in five different states - as we continue to raise the bar for Thoroughbred partnerships, and establish ourselves as one of the industry's leaders.

It's not hard to get excited about the two-year-old races at this time of year. We are thrilled and fortunate to have two wins from each of our two-year-old starters this year and could not be more pleased and proud by the first time efforts of our talented colts Rose Junction and Shanghai Bobby.

Rose Junction (two-year-old colt - Dixie Union - Sandra's Rose by Old Trieste) broke his maiden, first time out, going 5F on the dirt at Belmont Park, June 8. The impressive win earned the talented colt an 88 Beyer Speed Figure, which is the highest figure earned by any two-year-old this year. He is on tap for the July 22, \$200,000 (GII) Sanford Stakes which is a 6F race run on dirt, opening weekend of the Saratoga meet. Watch Rose Junction's debut race...

Shanghai Bobby (two-year-old colt - Harlan's Holiday - Steelin by Orientate) broke his maiden, first time out, winning by an impressive four lengths at Aqueduct, April 19. His time of 51.95 was just .30 off the track record! Shanghai Bobby is training beautifully and is pointed towards the \$85,000 Track Barron Stakes, June 27 at Belmont Park for his next start. The race is a 5.5F race for 2-year-olds on the dirt. Watch Shanghai Bobby's debut race...

More on our two-year-olds...

Lawn Man (colt - Flatter - Holly Park, by Go For Gin)

Stabled at Pletcher's barn in Saratoga, he is working towards his first start which will probably take place at Saratoga early in the meet.

Park City (colt - Harlan's Holiday - Light Show, by Pleasant Colony)

Like Lawn Man, Park City is stabled at Pletcher's barn in Saratoga and will make his debut sometime during the early part of the Saratoga meet.

Vinny Goodtimes (colt - Stormy Atlantic - Eclectic Mix, by Zamindar)

Vinny Goodtimes is training in Saratoga and will look to make his first start sometime during the first part of the Saratoga meet as well.

Our three-year-olds...

Algorithms (colt - Bernardini - Ava Knowsthecode, by Cryptoclearance)

Undefeated in three career starts (including the GIII \$150,000 Holy Bull Stakes in which he won by five lengths, earning him a 105 Beyer Speed Figure) the talented colt was sidelined by an injury and underwent surgery March 3, 2012. The surgery was a success and he's now walking under tack. We look forward to him joining the Starlight team at Pletcher's barn by the end of August.

Battle Act (colt - Medaglia d'Oro - Future Act, by Known Fact)

Broke his maiden going 1 1/16 mile on the dirt at Louisiana Downs June 7. He will be running back in an allowance race for Louisiana breds within the next few weeks.

Bridge Loan (colt - Empire Maker - Bridge Game, by Giant's Causeway)

He came out of his last race in good order. We will be looking for an allowance race or possible stakes race for his next start.

Heavy Breathing (colt - Giant's Causeway - Takesmybreathaway, by Gone West)

Finished second (beaten by a neck) in the Lamplighter Stakes going 1 1/16 on the turf at Monmouth Park May 20. He's got three possibilities for his next start... (The \$250,000 Iowa Derby, June 30, at Prairie Meadows, the \$200,000 Gil Dwyer Stakes, June 30 at Belmont Park or the \$100,000 Long Branch Stakes at Monmouth, July 8).

Thunder Moccasin (colt - A.P. Warrior - One Stormy Mama, by Storm Cat)

After a brilliant start to his career (broke his maiden at two, first time out in December and won the \$150 GII Hutcheson Stakes, February 11), we gave him a little time off at Payton training Center, in

Florida. He is back in training and should return to Pletcher's barn in Saratoga sometime in mid – late July and make his next start sometime during the last part of the Saratoga meet.

Our four-year-olds...

Achaemenes (gelding - Empire Maker - Queenie Belle, by Bertrando)

Won a \$65,500.Allowance race, going one mile on the dirt at Churchill Downs, June 16, earning him an 88 Beyer Speed Figure for his effort. He came out of his race well and will make his next start in a stakes race.

Rocked (gelding - Henny Hughes - Potential Pleasure, by Unbridled)

Broke his maiden going 5F on the turf, May 20 at Arlington Park. He is pointed towards a 5F race on the turf at Arlington, June 27.
